

MISSION

To create, systemize and disseminate the proper Physical Education knowledge through education, research and extension.

VISION

To remain as a national reference and to extend the international insertion in Physical Education, with a political-pedagogical project engaged in an effective participation in the social development.

HISTORICAL

The Physical Education Faculty of the State University of Campinas- UNICAMP was idealized by a group of professors in 1984 from the former Technical Assistance of the Rectorate for Physical Education and Sports - ATREFE, with the purpose of studying and doing research in the area, stimulating the education of professionals able to create, criticize and elaborate new proposals, thus changing the course of Physical Education in Brazil.

The Physical Education undergraduate course was created in 1985, as a Bachelor degree program in Sportive Techniques. The FEF was the first institution in the country to offer a Bachelor degree program in the area, anticipating Resolution 003/87 of the Ministry of Education and Culture (MEC). In 1986, the Physical Education Faculty started to offer courses of specialization, aiming to bring the graduated professionals up to date. In 1988, when the first class was graduating, the Masters Degree Program was created. In 1992, identifying the high demand for the undergraduate course and recognition in the national scenario as one of the main institutions of the area, the FEF began to offer the undergraduate program in the evening with the same number of vacancies as the daytime program (50). In the same year the doctorate program was established.

The Trajectory of the Physical Education Faculty qualifies it as one of the best institutions of higher education with distinction in the national and international scenario. The graduate courses and research activities are recognized by the evaluation agencies and the work of the professors/researchers is a reference in several areas of knowledge, presenting constant growth indicators.

PHYSICAL EDUCATION FACULTY

FEF
